

## Guaranteed Ride Home Program Rules

The **Guaranteed Ride Home Program (GRH)** reimburses commuters who carpool, vanpool, take transit, shuttle, bike, or walk to work or to a participating college in San Mateo County up to \$60 per event (excluding gratuities), up to four times per calendar year. GRH program participants decide how to get home (e.g. taxi, ride-hailing app, public transit, or combination) and complete the reimbursement process after they are home safely. If you use public transit as your GRH ride, Commute.org will give you a \$5 e-gift card bonus.

## Guaranteed Ride Home Program Rules

GRH does **NOT** cover the following trips or reasons for reimbursement:

- Transit delays and/or disruptions
- Taking an Uber or Lyft to work is not a qualifying alternative commute mode to work
- Carpool app provider cannot find a match to get the commuter home
- Personal errands or appointments
- Transportation to a doctor or hospital resulting from an on-the-job injury (GRH cannot be used to replace an employer's legal responsibility under workers' compensation regulations.)
- Ride to work
- Natural disasters
- Business-related travel
- Non-emergency side trips

After taking a qualifying GRH trip, commuters will begin the reimbursement process by redeeming a GRH Reimbursement Request via the Program > Reward area on their [STAR account](#). The Reimbursement Request provides a link to a GRH Reimbursement Form where the details of the GRH event are captured and trip receipt(s) may be uploaded. Receipts must include the date, origin, and destination of your trip when available. [Click here](#) for a quick video on the process.

Commuters may choose to be reimbursed by our [Tango](#) e-gift card service (Visa e-gift card, Uber credit or choose from more than 70 other retailers) or PayPal. Visa and PayPal require accounts to process reimbursement. After requests are reviewed for eligibility, reimbursements will typically be processed within 30 business days of Commute.org receiving the completed GRH Reimbursement Form and supporting receipt(s).

Commuters are not eligible for reimbursement if they are covered by a separate rideshare app or employer-sponsored GRH program.

### Program Funding

The **San Mateo County Guaranteed Ride Home (GRH) Program** is made possible by funding that Commute.org receives from the City/County Association of Governments of San Mateo County (C/CAG), the San Mateo County Transportation Authority (TA), and the Bay Area Air Quality Management District (BAAQMD).

Commute.org reserves the right to modify the GRH Program Rules including participation requirements, eligibility, and reimbursement criteria at any time for any reason. Subject to availability of funding and program performance.
